## Service—Low Cost Service

That characteristic is long continued service, apparently everlasting service—and the consistent low cost of that service. That's the service from which HUPMOBILE reputation springs; the service that has made the HUPMOBILE "The Car of the American Family."

That's why HUP owners are our most successful salesmen.

And isn't that quality what you consider, first and last in any car?

How will a lower price compensate you a year from now, for a worn, shabby down-at-the-heel car, which you are forced to sell for a song?

How will a natty exterior this Spring compensate you for a broken down exterior next Spring?

Continuous service at a lower cost and a higher price when you want to sell at second hand—that's what makes HUP owners loyal to the car.

Think this over next Spring, think of the one hundred thousandth mile and not of the ten thousandth—and your investigation will surely bring you to the choice of the HUPMOBILE.
